2027 SEASON PASS - TERMS & CONDITIONS

Issued by The Bend Motorsport Park Pty Ltd (ABN 91 609 932 685) | Applicable to 2027 Season Pass purchases

Important: Supercars and Spring Nationals are NOT included in any Season Pass. Passes grant general admission to the eligible events specified below, not unlimited entry to every event held at either venue.

2027 pass tier	Adult	Youth (13-17)
Mallala Season Pass	$99	$49
The Bend Season Pass	$249	$149
Full Season Pass (both venues)	$299	$179

1. Who may use a Pass and when

A Season Pass is valid from 1 January to 31 December 2027, does not automatically renew and is issued to one named holder. The advertised Pass prices above are face values in AUD (including GST) and exclude separately charged administration, booking and transaction fees, where permitted by law. Any such fees are subject to the ticketing provider's published policy; unavoidable, calculable fees must be included in the prominently displayed minimum total price, and all applicable charges will be disclosed before payment. Your bank may separately apply fees (such as international transaction or currency conversion fees) under its own terms. No prohibited payment surcharge will be imposed. Youth Passes are for ages 13-17; proof of age may be requested. Children aged 12 and under receive free general admission where the relevant event advertises this benefit, but do not receive the Pass vouchers or other Pass benefits.

2. Eligible events and limits of admission

Mallala Pass: Super2/Super Truck, Matsuri, Drift SA, Burnouts and The Bend Championship Series events held at Mallala. The Bend Pass: Riverbend Nationals OR Jet Cars (one of these, as confirmed in the eligible-event schedule), ASBK, Super Trucks (The Bend), The Bend Classic, Drift SA, Burnouts, Roll Racing, The Bend Championship Series, SRO, Summit Track Champs and Drive In at Dragway. Full Pass: the eligible events at both venues. Admission covers general admission for the full scheduled event weekend, where applicable. Reserved seating, grandstands, hospitality, camping, participant/vehicle entries, experiences and other paid upgrades are not included unless expressly stated. The complete list of eligible 2027 events for each Pass tier will be published at thebend.com.au by 1 January 2027. Only listed events are included.

3. Excluded events and priority ticket access

Supercars and Spring Nationals are excluded from every tier and require separate tickets. Pass holders will receive first access to announced ticket releases for those events, subject to published dates, allocations and availability. Tickets must be purchased separately; any discount or value-added offer is discretionary, and first access does not guarantee a ticket.

4. Digital issue, gifting and entry

Passes are issued digitally (wallet pass or QR code) and registered to one named holder. Passes may be gifted but must be assigned before first use; once used, they must not be transferred, shared, copied or resold. For each eligible event owned and operated by The Bend or Mallala, the holder must use their Season Pass to obtain a separate General Admission event ticket through the designated ticketing platform in a $0 transaction (no additional GA ticket price). A valid event-specific ticket must be presented for admission; the Season Pass alone does not grant entry. For independently promoted events, follow the published entry or redemption process. The holder must provide their Season Pass and photo identification if reasonably requested. Entry remains subject to event capacity, security, safety rules and applicable venue and ticket conditions; minors must attend with a responsible adult.

5. Complimentary benefits - single use only

Each Pass includes one Kartdrome session voucher, one merchandise benefit/voucher and (for The Bend and Full Passes only) one Rydges meal-and-drink voucher, as described in the purchased tier. Each benefit is redeemable once per holder and must be used in full in one booking or transaction. No unused value, balance or credit remains after redemption; no change, cash, refund or part-redemption carry-forward will be provided, except where required by law. If a purchase exceeds the voucher entitlement, the holder pays the difference. Benefits cannot be combined or transferred between holders.

6. Voucher booking, availability and expiry

Kartdrome sessions must be booked in advance and are subject to availability, operating conditions and driver eligibility/safety requirements. Food and beverage vouchers are redeemable at the nominated participating Rydges outlet for a single meal-and-drink transaction, subject to availability and responsible-service laws. The merchandise benefit is one nominated item or a voucher for eligible merchandise, as issued. Each voucher will state its applicable redemption conditions and expiry; any mandatory statutory voucher validity takes precedence over a shorter stated period.

7. Program changes, postponement and refunds

Event dates, programs and facilities may change for operational, safety, weather or promoter reasons. We will notify holders of material changes where reasonably practicable. If an included event is cancelled, substantially changed or a material Pass benefit cannot be supplied, we will provide the remedy required by the Australian Consumer Law, which may include an appropriate refund or other remedy. Change-of-mind refunds are not generally available. Nothing in these Terms excludes, restricts or modifies rights or remedies that cannot lawfully be excluded.

8. Misuse, safety and third-party events

We may refuse entry or suspend a Pass for proven fraud, repeated sharing, serious misconduct or breach of reasonable safety directions, having regard to the circumstances and applicable law. Events run by independent promoters may impose additional clearly disclosed event-specific conditions. The Pass does not override lawful age, identification, licensing or participation restrictions.

9. Personal information and applicable conditions

We collect holder identification and contact information to administer and verify Passes and benefits, in accordance with our privacy policy at thebend.com.au. Marketing consent is optional and separate from service communications. These Terms operate alongside our Conditions of Entry and Ticket Terms & Conditions; for Pass inclusions, these Terms prevail if inconsistent. Material adverse changes to Pass entitlements will not be imposed without the remedies required by law. South Australian law applies.
